Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>The College adheres to the Academic Calendar very strictly. Pandemic and consequent lockdowns and restrictions imposed by the Government, had an adverse impact on almost everything, throwing the ordered system into disarray. But the College used this as an opportunity and planned for online classes and continuous monitoring of the curriculum transaction. Teachers followed the timetable and communicated directly with the students through social media groups. Teachers regularly engaged online classes through videoconferencing platforms and completed all the topics in the syllabus. Teachers and students were interacting through virtual classes and doubt clearing sessions to complete the syllabus. Teachers also prepared video and audio contents, which were posted on the College portal and also on the University portal for the students. Teachers were also required to post the daily progress of their classes, which was closely monitored by the College administration.</p> <p>Despite the difficult situation, the College tried its best to adhere to academic calendar by holding online tests through Google forms in various subjects. The college within the scope of the university guidelines tries its best to bring reliability and accountability in the evaluation process. The major reforms initiated by the Chancellor's secretariat and implemented by the university and colleges include: The introduction of Choice Based Credit System (CBCS) in PG since 2018. The evaluation process comprises of two tier systems. (i) Continuous Internal Evaluation/Assessment (CIE/CIA) by the departments and (ii) University examinations and evaluation by external examiners. The marks obtained in continuous Internal Assessment based on internal exams, regularity/punctuality, seminars/quiz and conduct of students, are sent to the university and marks obtained in CIA/ CIE and external examination form the basis for evaluation of the student's performance. Similarly, college conducts internal tests, class tests, oral examination in undergraduate classes (UG) also. During the Lockdown period due to pandemic, the process of internal evaluation continued unabated through online platforms.</p>
